6. Rates quoted will hold good till the work is completed. The rates quoted by the contractor will be considered as inclusive of Sales-tax. No separate claims for Sales-tax will be considered. The contractor should furnish Income-tax certificate with the tender or before the execution of agreement at the latest, failing which, the tender will be cancelled and doposit forfeited.

7. No conditional clauses will be accepted.

8. The tenders will be opened by the Executive Engineer, in the presence of such tenderers who wish to be present on 9th November 1953, at the Executive Engineer's Office at Tumkur. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any. If any petitions are received after the tenders are opened, such petitions will not be considered.

9. The name of the successful tenderer will be posted on the notice board in the Executive Engineer's Office after the tenders are settled. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form. In case of failure to comply with this condition, the earnest money of this contractor will be forfeited and the tender will be disposed of otherwise.

5000

Tender Notification.

Sealed tenders will be received in the Office of the Executive Engineer, Tumkur Division, Tumkur, up to 4 P.M. on 23rd November 1953, for the undermentioned work.

Name of work	Amount of estimate	Earnest money	Last date for receiving tenders.
	Rs	Rs.	
Restoring breached Hosahally Obaladevarakere, Pavagada Taluk.	25,200	1,260	23rd November 1953.

1. Tenders in the prescribed form, obtainable from the Office of the Executive Engineer, Tumkur Division, on payment of four annas (Re. 0-4-0) should be addressed to the Executive Engineer, Tumkur Division, in a sealed cover. The name of the work, and the full address of the contractor should be written on the cover.

2. Each tender should be accompanied by a treasury chellan for having credited the earnest money under Revenue Deposits. If any tenders are received without treasury chellan, it will be rejected. After tenders are disposed off, the treasury chellan accompanying the tenders of unsuccessful tenderers, will be returned to him by the Public Works Department with an endorsement signed by the Divisional Officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned. No dues from the draft of cheques will be accepted.

3. Individual rate should be quoted to each item of work. Tenders on percentage basis will not be valid.

4. For items not provided in the estimate schedule of rates will be paid, or as per data worked out during the execution of the work.

5. The estimate and plan can be seen by the contractors, during the working days between 11 A M. and 5 P.M.

6. Rates quoted will hold good till the work is completed. The rates quoted by the contractor will be considered as inclusive of sales-tax. No separate claims for sales-tax will be considered. The contractor should furnish In come-tax certificate with the tender or before the execution of agreement at the least, failing which the tender will be cancelled and deposit forfeited.

7. No conditional clauses will be accepted.

8. The tenders will be opened by the Executive Engineer in the presence of such tenderers who wish to be present on 23rd November 1953 at the Executive Engineer's Office at Tumkur. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any. If any petitions are received after the tenders are opened, such petitions will not be considered.

9. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office after the tenders are settled. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the Departmental schedule contract form. Failure to comply with these conditions the earnest money of this contractor will be forfeited and the tender will be disposed off otherwise.

K. V. SIDDABASAVIAH,
Ex. Engr.

5274

OFFICE OF THE EXECUTIVE ENGINEER, UPPER CAUVERY DIVISION, KRISHNARAJANAGAR.

Notification dated 14th October 1953.

The date of receipt of Tenders in this Office for constructing an R.C.C. Tank of 50,000 gallons capacity on 40 ft. staging in connection with the improvements to Water Supply to Holenarasipur Town, notified in 7th September 1953, *vide* page 1255 of Part VI of the *Mysore Gazette*, dated 24th September 1953, has been extended up to 4 P.M. on 13th November 1953.

5132

Notification dated 21st October 1953.

1 Sealed quotations duly signed by the contractors will be received in the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, up to 4 P.M. on 23rd November 1953. (Estimate for the entire bridge sanctioned for Rs. 5·18 lakhs.)

2 For each item of work, individual rates may be quoted both in words and figures.

3 The quotations should be given separately for each pier and abutment. Pier numbers are received from the Mirle side, and as Pier No. 1, 2, etc. Abutment on Mirle side is left abutment and on the Chunchankatte side is the right abutment.

4 The piece worker may quote the rate for a single pier or any number of piers as he likes, but separately each pier and abutment.

5 Each quotation should accompany with the treasury chellan for having remitted the earnest money under Revenue Deposit at the rate of Rs. 300 for each pier and Rs. 900 for each abutment limited to a total of Rs. 5,000.

6 For lumpsum provision and for non-tendered items, the rates will be paid as per minimum current schedule in case of scheduled items. For other items rates based on the data got upon the minimum current schedule will be allowed.

7 Quotations may be given by the intending piece workers on blank paper.

8 The quotation without chellan for having remitted the required earnest money deposit will be rejected.

9 It should be clearly noted on the cover whether the chellan for having credited the earnest money deposit is enclosed, and number and date of the same also noted. If it is omitted, the cover will not be opened and rejected as it is.

10 The contractor should quote rates only for the units and nature of work specified in the form. If rates are quoted for alternative works instead of specified nature of work, such tender will be disqualified.

11 The final acceptance of the tenders rests with the Government which is not bound to accept the lowest or to furnish any reason therefor.

12 Estimates and plans will be available for reference in the office of the undersigned, and any other particulars required, on all the working days during office hours.

13 The successful tenderer should bind himself by the departmental rules in force and execute necessary agreement within a week of acceptance of the tender, failing which, the earnest money will be forfeited to Government.

14 Quantities noted in the abstract estimates are only approximate and may be less or more.

15 The rates quoted by the tenderer should hold good till completion of the work irrespective of the fluctuation in rates.

16 The rates quoted should be inclusive of all existing and new taxes payable as per Government Rules.

17 In case of any accident to the labour employed by the accepted tenderer, he should pay compensation to the injured as per rules, failing which the amount will be deducted out of bills and other claims and paid to the injured.

18 Reserve and earnest money deposit will be repaid only at the time of settlement of final bill.

19 The term "specification" mentioned either in the schedule or in the estimate in the notified item would mean specific item of work to be done according to the instructions of the Public Works Department with reference to design, calculation, etc., furnished during execution and no higher rates than tendered ones will be paid.

20 The department does not undertake any responsibility to supply lorries to the contractors.

21 The work should not be sublet.

22 The contractor will have to make his own arrangement for water required for the works, scaffolding materials, conveying material. approach road to quarries. No extra amount will be paid for any of the above items.

K. N. SURYANARAYANA SASTRY,
5213 *Executive Engineer.*

MALAVALLI DIVISION, MANDYA.

Notification.

Sealed tenders will be received in the Office of the Executive Engineer, Malavalli Division, Mandya, up to 4 P.M. on 24th November 1953, for the following work:—

	Amount of Estimate Rs.	Earnest money Rs.
Construction of aff A.K. Middle School Building at Malavalli Town.	25,000	1,250

(1) The contractor shall quote for each individual item of works both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

(2) Monthly progress should not be less than Rs. 2,500 and the work should be completed in all respects within four months from the date of acceptance of tender.

(3) No conditional clause will be accepted.

(4) No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

(5) Estimates and other particulars regarding rates, etc., can be had for inspection in the Office of the Executive Engineer, Malavalli Division, Mandya, on all working days between 11 A.M. and 5 P.M. (9 A.M. and 12 NOON on Saturdays).

(6) The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

(7) Tenders will not be considered unless they are in the prescribed form, which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Malavalli Division, Mandya.

(8) Each tender should be accompanied by a Treasury Chellan for Rs. 1,250 as earnest money paid at a Government Treasury under "S. Remittances—Payments into Treasury by P.W. Officers" (Malavalli Division).

(9) The final acceptance of the tenders will rest with the Government. For non-tendered items of work, the minimum schedule rates will be given if the items are scheduled items. Otherwise, data rates arrived at with reference to minimum schedule with 10 per cent contractor's profit on non-schedule items will be given. Contractor's profit will not be allowed on the cost of materials supplied by the Department.

(10) The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest Departmental Stores. An additional ten per cent on cost of the materials supplied from the Department will be charged as centage.

(11) Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

(12) The Department does not take the responsibility in supplying any machines, etc.

(13) Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

(14) The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution" and no higher rates than tendered ones will be paid.

(15) The Department does not undertake to supply lorries to the contractor.

(16) Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

(17) The work should not be sublet.

(18) The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

M. N. RAMAKRISHNA,
5409 *Ex. Engr.*
